Click the botton for attach a download object.

The screenshot shows a Mozilla Firefox browser window displaying the Joomla! administrator interface. The address bar shows the URL: `http://192.168.1.128/foro_internacional/web/administrator/index.php?option=com_content§ionid=-1&task=`. The page title is "Foro internacional - Administración - Mozilla Firefox".

The interface includes a menu bar with options like "Archivo", "Editar", "Ver", "Historial", "Marcadores", "Herramientas", and "Ayuda". Below the menu bar, there are several tabs and a search bar. The main content area is titled "Percha panel" and contains a text editor with the text: "recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum."

On the right side, there is a sidebar with a table for publication settings:

Iniciar publicación	2010-04-30 10:47:01
Final de la publicación	Nunca
▶ Parámetros avanzados	
▶ Información de metadatos	

At the bottom of the page, there is a "Path:" field and a row of buttons: "Imagen", "Salto de página", "Leer más...", "ADD MULTIMEDIA ATTACHMENT", "ADD DOWNLOADS ATTACHMENT", and "Toggle editor". The "ADD DOWNLOADS ATTACHMENT" button is highlighted with a yellow box and a mouse cursor.

First you must introduce the name of the file. And click “Apply” button.

The screenshot shows the Joomla! administrator interface in Mozilla Firefox. The browser address bar displays the URL: `http://192.168.1.128/foro_internacional/web/administrator/index.php?option=com_content§ionid=-1&task=`. The page title is "Foro internacional - Administración - Mozilla Firefox".

The main content area shows a form for attaching a file. The form fields are:

- Título:** Name of file
- Publicado:**
- Idioma:** All language

Below the form, there is a text area for the description and a "Path:" field. The description area contains the text: "First create the new, then you can upload the image".

The form includes a rich text editor toolbar with various icons for text formatting (bold, italic, underline, ABC), alignment, bulleted and numbered lists, link, unlink, image, video, audio, and HTML. Below the toolbar are buttons for "Imagen", "Pagebreak", "Readmore", and "Toggle editor".

At the bottom right of the form, there are two buttons: "Aplicar" (Apply) and "Cancelar" (Cancel). A mouse cursor is pointing at the "Aplicar" button.

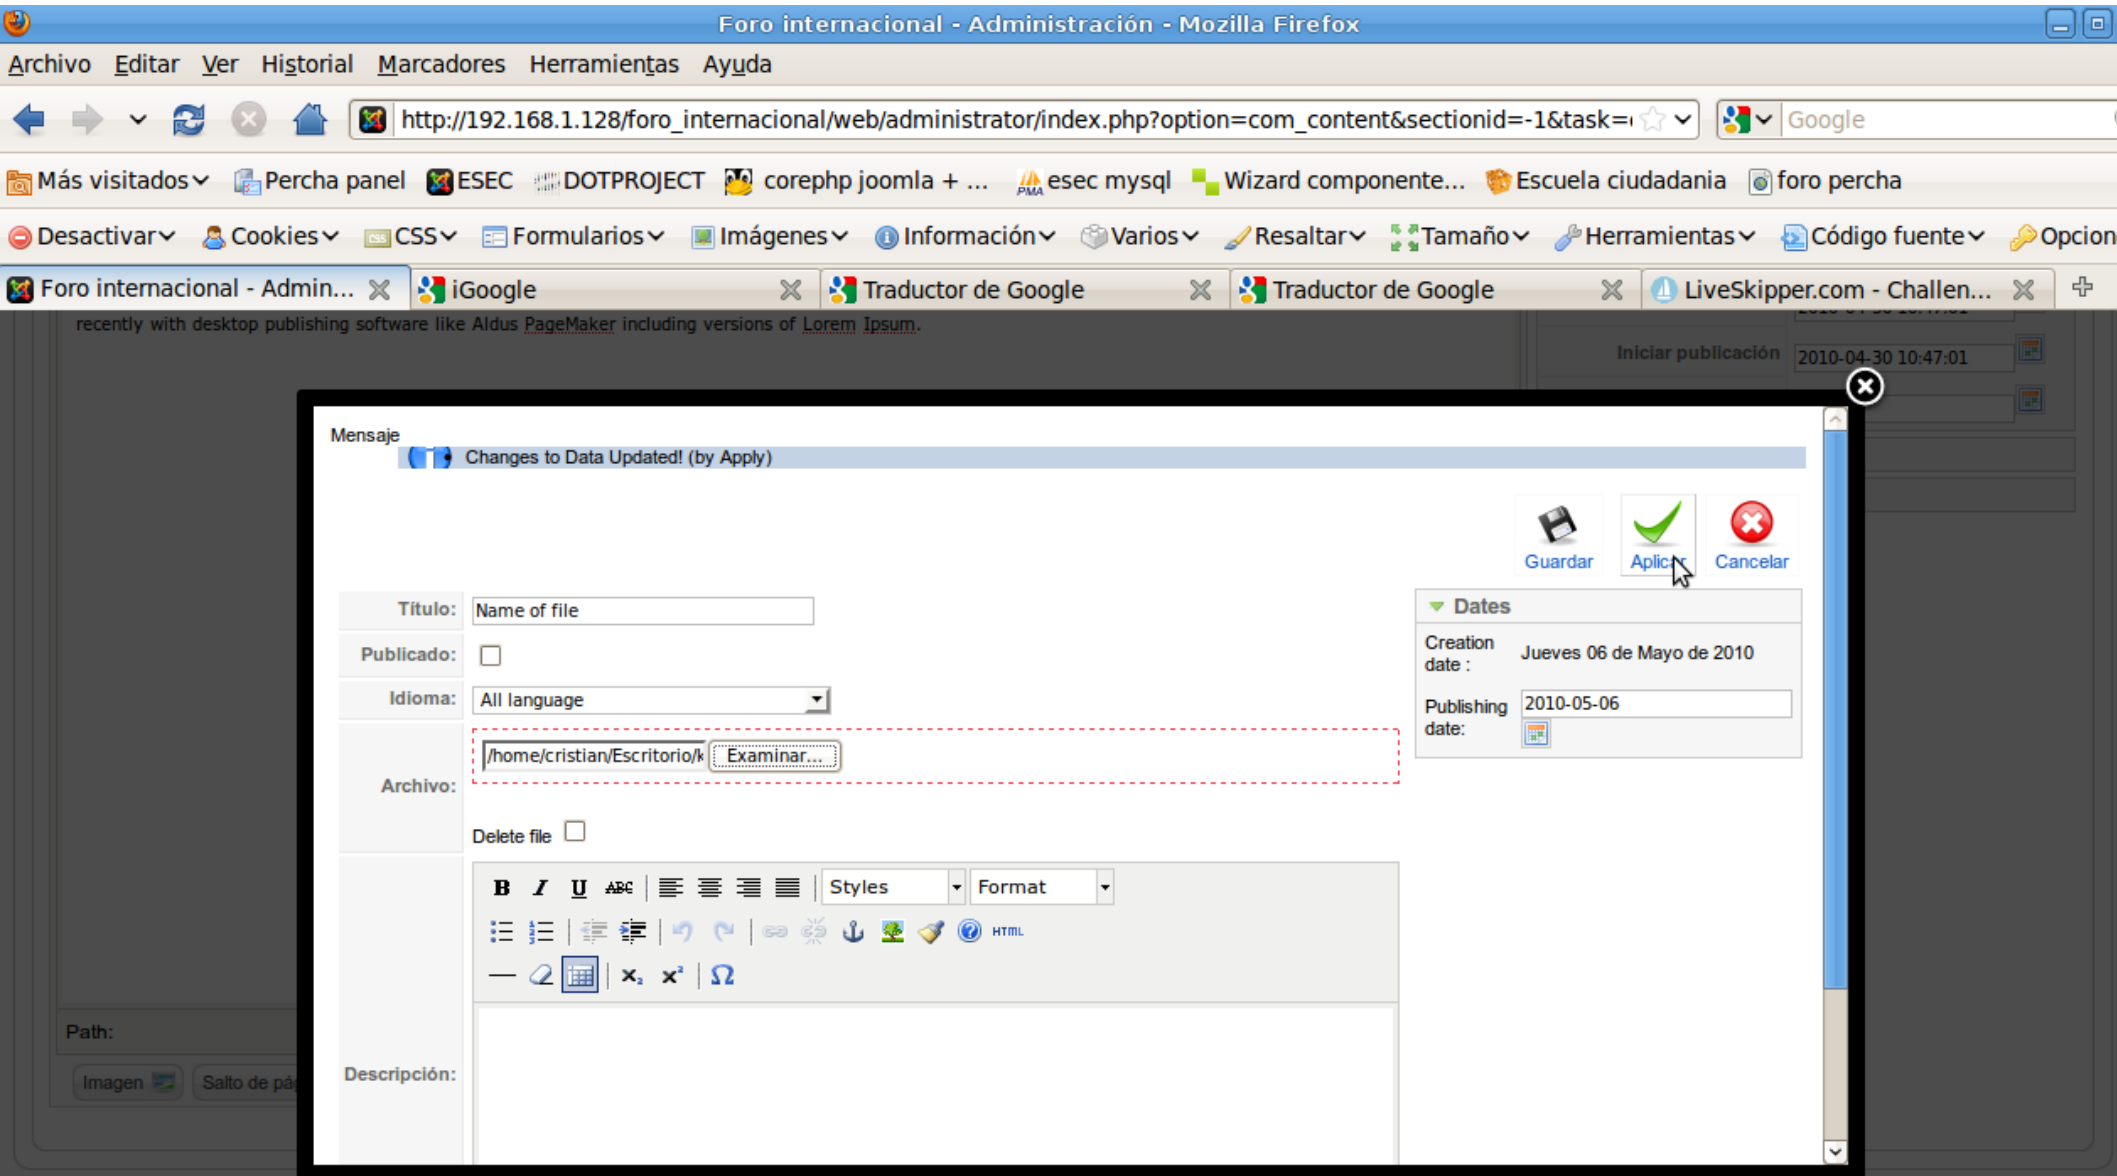

On the right side of the page, there is a "Dates" section with the following information:

- Creation date:** Jueves 06 de Mayo de 2010
- Publishing date:** [Empty field]

The page footer contains the text: "Joomla! es un software gratuito liberado bajo la licencia GNU/GPL License."

Perchadownloadattach

Now you can selected the file, and upload it.

The screenshot shows a Mozilla Firefox browser window displaying the Joomla! administrator interface. The browser's address bar shows the URL: `http://192.168.1.128/foro_internacional/web/administrator/index.php?option=com_content§ionid=-1&task=`. The page title is "Foro internacional - Administración - Mozilla Firefox".

The main content area displays a "Mensaje" (Message) dialog box titled "Changes to Data Updated! (by Apply)". The dialog box contains the following fields and options:

- Título:** Name of file
- Publicado:**
- Idioma:** All language
- Archivo:** `/home/cristian/Escritorio/k` (highlighted with a red dashed border) and an "Examinar..." button.
- Delete file:**
- Formato:** A rich text editor toolbar with options for Bold (B), Italic (I), Underline (U), Bulleted List, Numbered List, Indent, Outdent, Styles, Format, and HTML.
- Descripción:** A text area for the file description.

On the right side of the dialog box, there are three buttons: "Guardar" (Save), "Aplicar" (Apply), and "Cancelar" (Cancel). Below these buttons is a "Dates" section with the following information:

- Creation date:** Jueves 06 de Mayo de 2010
- Publishing date:** 2010-05-06

The background of the Joomla! administrator interface is dimmed, showing a "Iniciar publicación" (Start publishing) button and a date/time stamp of "2010-04-30 10:47:01".
